The European partnership for improvement of health, equity and wellbeing

Building on two decades of work from Brussels for improving health across the EU, EuroHealthNet is moving ahead to launch new initiatives as part of its 2020 strategy.

The framework partnership offers:

- ✓ Experience of running a high quality international network
- ✓ Authority of including the leading health promotion agencies in Europe
- ✓ Reputation for delivering high quality outcomes from projects and studies
- ✓ Governance to ensure reliable, trustworthy and ethical approaches
- ✓ Accountability and stability in management and finances
- ✓ Quality assurance for health and equity in all policy and practice approaches

For more information, visit EuroHealthNet website
www.eurohealthnet.eu

PHASE

The European Platform for Health & Social Equity

For any body working to improve health and tackle inequities

- ✓ Taking forward knowledge on social, economic and wider health determinants
- ✓ Advising on implementation of EU social investment programmes and policies
- ✓ Making the evidence based case for equity in all policies and tackling inequalities
- ✓ Innovative communications approaches and leadership
- ✓ Expert policy into practice initiatives
- ✓ Public-private-innovative partnership developments
- ✓ Possible participation in EuroHealthNet projects
 - ➔ The **Equity Channel** - www.equitychannel.net
 - ➔ The **Health Inequalities Portal** - www.health-inequalities.eu

HPE

Health Promotion Europe

For eligible public and expert bodies at national, regional and local levels

- ✓ Developing the European Network for health promotion
- ✓ Building capacities for improving health across Europe with global links
- ✓ Mobilising resources to meet local, national and international needs
- ✓ Working on EU Joint Actions and projects across the lifecourse
- ✓ Advising within the WHO Public Health Action Plan
- ✓ Key information and opportunities in EU and other programmes
- ✓ Possible participation in EuroHealthNet projects
 - ➔ **Health Promotion** - www.healthpromotion.eu provides an overview of EuroHealthNet work and projects
 - ➔ The **Health Ageing Portal** - www.healthyageing.eu
 - ➔ Joint Action on **Improving Quality in HIV Prevention** - www.qualityaction.eu

CIRI

The European Centre for Innovation, Research & Implementation for Health & Wellbeing

For experts and bodies working to build and implement knowledge for improving health and wellbeing

- ✓ Building the evidence base for health improvement
- ✓ Develop case studies
- ✓ Linking the health dimension of health equity with wellbeing and sustainable development
- ✓ Research in health determinants and literacy throughout the life course
- ✓ Identification and evaluation of innovative and promising approaches
- ✓ Effective communication and information support for advocacy
- ✓ Implementation from EU Horizon 2020 and other knowledge programmes
- ✓ Possible participation in EuroHealthNet research activities
