EC STAFF ONLY MEETINGS – Exploring how the Recovery Plans can contribute to health equity and sustainability objectives

Country-specific Recommms 2022

BELGIUM - improving the performance and inclusiveness of the education and training system

HUNGARY - Improve access to quality preventive and primary care services.

SLOVENIA - Ensure the long-term fiscal sustainability of the healthcare and long-term care systems.

SWEDEN - Reduce the impact that pupils' socio-economic and migrant backgrounds have on their educational outcomes by providing equal access opportunities to schools and by addressing the shortages of qualified teachers.

ESTONIA - Improve the affordability and quality of long-term care, in particular by ensuring its sustainable funding and integrating health and social services
