

EU4Health, SANTE SGPP process & NCDs initiative

EuroHealthNet Annual Meeting 2022

EU4Health 2021-2027 - a vision for a healthier European Union

- will provide funding to eligible entities, health organisations and NGOs from EU countries, or non-EU countries associated to the programme
- EU4Health is implemented through annual work programmes
- the 2022 work programme has been adopted, actions fall under four strands: disease prevention, crisis preparedness, health systems, and digital, with a cross-cutting focus on cancer
- the EU will invest €5.3 billion in actions with an EU added value, complementing EU countries' policies and pursuing one or several of EU4Health's objectives:

Improve & foster health in the Union

Protect people in the Union from serious cross-border threats to health

Improve medicinal products, medical devices & crisis-relevant products

Strengthen health systems

Steering Group on Health Promotion, Disease Prevention and Management of Non-Communicable Diseases

- the Steering Group provides advice and expertise to the Commission on developing and implementing activities in the field of health promotion, disease prevention and the management of non-communicable diseases. It also fosters exchanges of relevant experience, policies and practices between the Member States
- the Steering Group is chaired by the Commission and the members are representatives of the Member States
- the Steering Group advises the Commission in the selection of best practices and in making better use of research results to support their transfer and scaling up at the national and European level. The EU Health Programme or other financial instruments of the EU support the implementation and transfer of best practices

Steering Group on Health Promotion, Disease Prevention and Management of Non-Communicable Diseases

- the Steering Group's work is supported by online resources on health promotion and the prevention and management of non-communicable diseases, such as:
- a knowledge gateway on health promotion and disease prevention
- a healthcare quality hub (forthcoming)
- a best practice portal for consulting and sharing best practices
- funding possibilities

Healthier Together - EU NCD initiative

- in addition to Europe's Beating Cancer Plan, the European Commission is working on a new Healthier Together – EU Non-communicable diseases initiative, to support EU countries in reducing the burden of NCDs

Key areas:

- cardiovascular diseases
- diabetes
- chronic respiratory diseases
- mental health and neurological disorders
- health determinants

Healthier Together - EU NCD initiative

- priorities for action in each of the EU NCD Initiative strands
- effective policies, best practices, promising approaches, innovative actions to effectively address the priorities
- the role of stakeholders for achieving those priorities, and the actions that the stakeholders can do in collaboration with other concerned parties
