## Workshops

Let us know!

# Calls for proposals: our support to members

## INTELLIGENCE

- Network Intelligence
- Ad-hoc information

## MATCH-MAKING

- Tracking members' interest
- Linking up with partners

**SAVE THE DATE:**  
**Information and match-making day, Oct. 2022**

# Horizon Europe Work Programme 2022-2023: main clusters of interest

**1** Health

**5** Culture, creativity  
and inclusive  
society

**6** Food, Bioeconomy,  
Natural  
Resources,  
Agriculture and  
Environment

# Cluster 1: Health

- **The Silver Deal - Person-centred health and care throughout the EU**
- **Towards a holistic support to children and adolescents' health and care provisions in an increasingly digital society**
- **Planetary health: understanding the links between environmental degradation and health impacts**
- **Interventions in urban environments to reduce NCD risk**
- **Evidence-based interventions for promotion of mental and physical health in changing working environments**

# Cluster 5: Culture, creativity and inclusive society

- Policy recommendations from socio-economic impacts of loneliness in Europe
- Integrated care solutions for better quality, person-centred long-term care and territorial inequalities in their provision
- Tackling inequalities in the green and digital transitions
- Promoting cultural literacy through arts education to foster social inclusion
