EuroHealthNet General Council Meeting

1 June 2022

‘Choose your own adventure’

Participate in EuroHealthNet governance and events

Get involved in the policy advocacy process

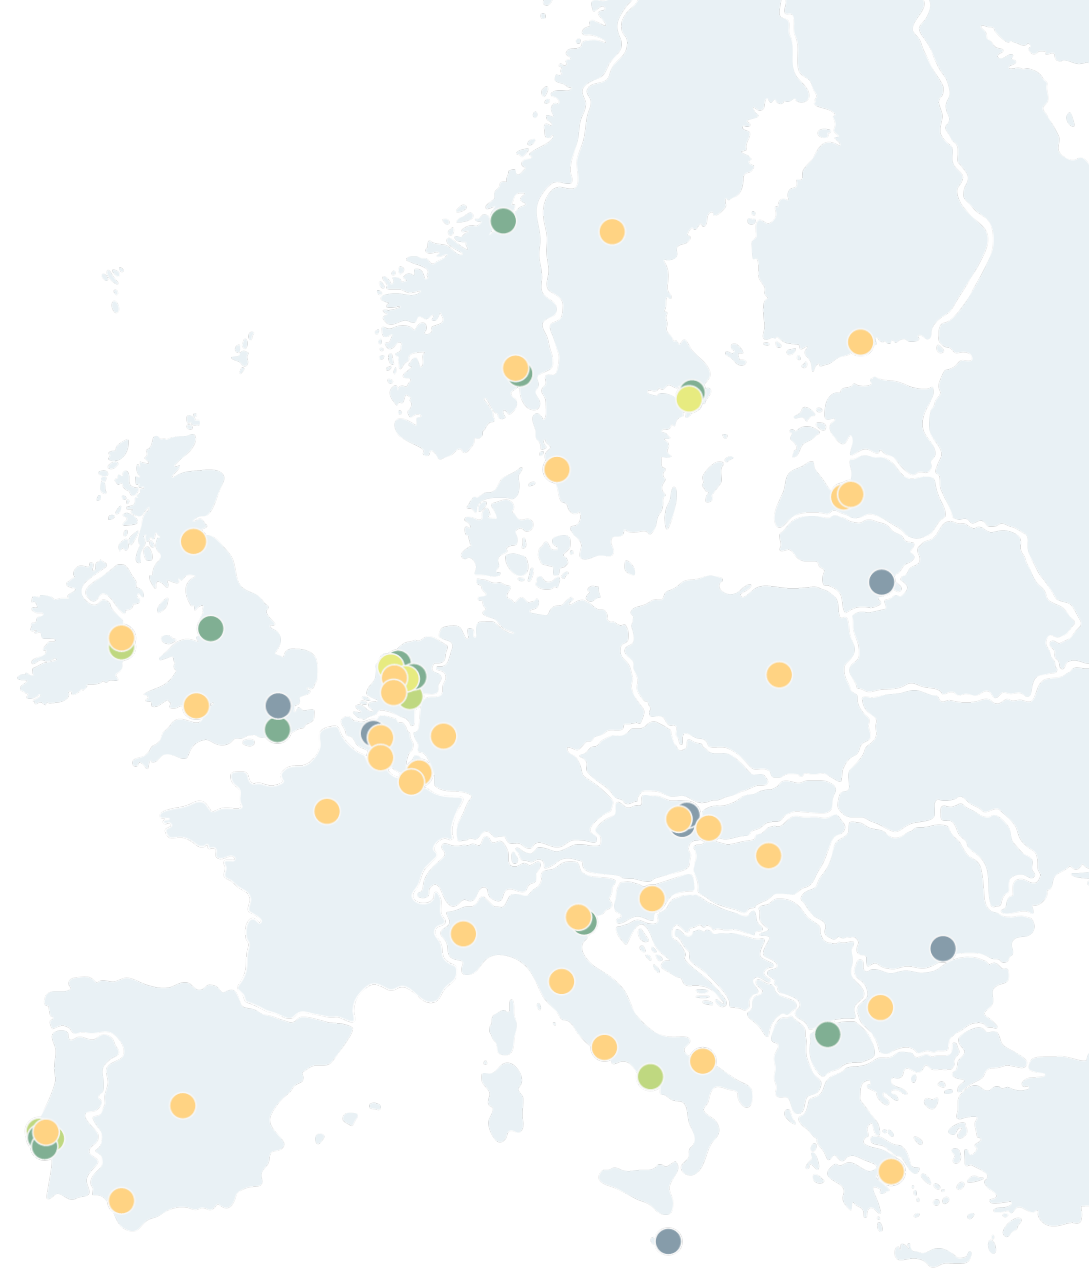

Contribute to our communications

Share and contribute to potential projects and funding opportunities

Governance

- Membership recruitment and retention materials
- External evaluation approaches and topics
- Strategy and statutes (e.g., Gender, Diversity and Inclusion)
- Opportunities to join the Executive Board

Policy Advocacy

EuroHealthNet sits in a critical space between health and social policy, as well as between the European Union and Member States and regions. Many opportunities for influencing the agenda here.

Practices and approaches to profile in our policy documents (e.g., Policy Precipis, factsheets)

Participate in our European Semester Analysis

Contributing to the EPSR flashcards

Supporting responses to policy consultations (e.g., 17 June response on the 2023 EU4Health work programme)

New events coming in Fall 2022

Follow the kick-off of our Country Exchange Visit on social prescribing and members' practices

9.00 – 12.30 CET, Tuesday 4 May 2022, Online

Between 4-5 May, the [National Institute of Health Doutor Ricardo Jorge \(INSA\)](#) in Lisbon is hosting a EuroHealthNet Country Exchange Visit (CEV). The visit will focus on promoting health in the community, with a particular focus on social prescribing. The first session of the CEV (4 May 9-12.30) will include expert presentations by speakers from the University of Oxford, the Global Social Prescribing Alliance and the Central Lisbon Health Centre Cluster. Following
