

EU Funding programmes

Multi annual
Financial
Framework (MFF)

Next Generation EU
- Recovery and
Resilience Facility
(RRP)

Overall EU budget (1.8tn): largest EU financial stimulus package ever

- MFF (2021-27) adopted => €1.074 trillion
- NextGenerationEU (2021-24) => €750 billion in grants and loans (to be repaid in 30 yrs)
 - ⇒ mainly implemented through the Recovery and Resilience Facility (RRF) & national plans
 - ⇒ For reforms, jobs and skills
 - ⇒ governed through European Semester
 - ⇒ investments to be at least 37% Green and 20% Digital
 - ⇒ Technical support instruments (TSI)

"All European citizens have the same right to health. NextGenerationEU's resources will therefore target the resilience of our health systems. The European funds will enable investments in new hospitals, better equipment and stronger healthcare systems." CoR speech, Oct 2020

European Commission President Ursula von der Leyen

MFF => EU4Health 2021-2027

A vision for a healthier European Union:

- boost EU's preparedness for **cross border health threats**
- strengthen **health systems** (prevention & health promotion (20%), digital transformation, access)
- make **medicines and medical devices** available and affordable
- fight against **cancer**, reducing **antimicrobial-resistant** infections
- improve **vaccination** rates, work on **rare diseases**,
- cooperate on **global health threats** and challenges.

~~Chafea~~ => HaDEA

EU4Health Steering Group of MS

SGPP of MS in advisory role

5.1 billion EUR
=> More than
10 x the size of
the budget of
the programme
for 2014-2020.

Reducing health inequalities through the MFF

European Social Fund+ (ESF+, including EaSI)

- ESF+ (€87.9 billion) to deliver on the European Pillar of Social Rights => at least 25% of ESF+ will be allocated to social inclusion & 4% to extreme poverty, 5% to child poverty, 12.5% to young people NEETs

European Regional Development and Cohesion Fund (ERDF) and Cohesion Fund (CF)

- ERDF (€191 billion), Key investment priority 4 (out of 5): quality employment, education, skills, social inclusion, equal access to healthcare, health systems' resilience
- 'Europe closer to citizens': locally-led approach, 6% to urban development
- €43 billion (CF) for low GNI countries.

Cohesion policy

- “simpler and stronger”
- reducing disparities
- better reflect the reality on the ground
- linked to the European Semester
