[Register here](#)

Join us for EuroHealthNet's Partnership-only annual Info and Matchmaking Day. This year, the event will focus on the EU4Health programme.

Following presentations from experts, you will have the opportunity to participate in a matchmaking session to discuss a selection of calls for proposals with other EuroHealthNet Partnership organisations. The online session will include:

- An overview of the current [EU4Health Work Programme](#).
- Key messages from the European Commission's EU4Health Info Day on 19 September.
- Tips for developing applications.
- Matchmaking discussions in breakout rooms, covering a selection of the most relevant calls for health promotion and health equity.

The event is for EuroHealthNet Partnership organisations only. As the break-out sessions will take place simultaneously, we encourage the participation of multiple colleagues.

Registration is available [here](#) until 23 October. If you have any questions, please get in touch with [Alison Maassen](#).
